We are holding Adonis back for a little herd bull insurance plus the fact that we think he will make a great 2-year old show bull. Command was put in this sale only because of the shortage of cattle for this sale. He is a good prospect for a Senior Yearling show bull for next year.

VALIANT WARRIOR - A thick, deep, rugged type bull. Champion bull at county fair at Lamar, Missouri, this fall.

It is with a good deal of pride that we present this offering of Missouri Shorthorns.

Much care and effort has gone into the selection of the breeding stock that produced these cattle. Much effort has gone into preparing them for sale. In conjunction with these efforts of the breeders has been the work and activities of the Association to promote the breed.

The success of the efforts of the Association are measured by the participation of the individual breeders. Have you done your share? We ask you to take an active part in the Association, in order that it may obtain the maximum benefits from its activities.

MISSOURI-SHORTHORN PARADISE

Missouri has long been known as the Shorthorn Paradise. A review of the pedigrees in this catalog demonstrates the quality of the breeding.

The pasture scene above, taken at Glendale Farms, owned by Dr. & Mrs. Glenn R. Miller of Hannibal, Missouri, shows the beauty of the cattle and the land.

The picture above taken at the Missouri State Shorthorn Picnic and Field Day, 1958, held at the farm of Frank Morrison, Odessa, Missouri, illustrates the enthusiastic participation by the breeders in their activities.

The picture above of Joanne Mackey, the Missouri Shorthorn Lassie Queen, elected International Shorthorn Lassie Queen for 1958, Missouri's second Lassie Queen to receive the International Honor, shows that Missouri's girls are as beautiful as her land and cattle.

MACBETH BEATRICE - A solid red cow sired by the best breeder we have had up to now. He sired the Grand Champion female and Reserve Champion male at our fall show & sale at Pike Co. The Champion female was purchased by that well known firm of Hertzler & Christy. This heifer traces through her dam to Imp. Tarbat Field Marshall and Imp. Pittodrie Banker, a Perth Champion. This heifer will be bred to our new bull, Imp. Morphie Paymaster, a Reserve Jr. Champion at the 1958 Perth Show. His sire, Calrossie Crocus Count, has sired seven that have been Champions or Reserve Champion at Perth. This is your first opportunity to buy one bred to this Champion bull.
